CLASS OF 1951

MUHLENBERG TOWNSHIP HIGH SCHOOL

LAURELDALE, PENNSYLVANIA

VOLUME IX

Foreword

Mementos of 1950-51 activities—dramatics, journalism, music, sports, and clubs—have been gathered to make this scrapbook. These memories will, in time, grow dim, but as we browse through the pages of this yearbook our thoughts will return to the many good times we have had.

The order of the book is symbolic of the progression of a student during his career in junior and senior high school.

It is our wish that you—senior, underclassman, or faculty will enjoy reliving the experiences of 1950-51.

Dolores Folk

We, the class of 1951, wish to honor Dolores Folk as a member of our graduating class. We will always remember her for her pleasing personality and merry disposition. Dolores, who was stricken with poliomyelitis in August of 1948, has been unable to attend classes at school. After spending approximately a year at a rehabilitation school in Virginia, she has been tutored by Mrs. Eberly in order to obtain her high school diploma. In spite of her being confined to a wheel-chair, Dolores has found it possible to witness many of the school's activities. Her nick name is "Bang, Bang," and her pet expression, "Oh! Crumb." Dolores's main interests lie in interior decorating and the reading and writing of poetry. She also has an "interest" at Reading High. Handling a Merchandise Club and selling a variety of cards passes her time. Dolores is an academic student with a commercial trend. She hopes to attend Penn State to major in psychiatry.

Administration

We will never forget those who guided us, gave us of their time and efforts, and made our school life worth while . . . long will we remember Observer deadlines . . . Mr. Harris's long history assignments and cheerful sessions with the unfortunate S.S.S.S. Club . . . early morning lectures delivered by Miss Horton at Mixed Chorus rehearsals . . . the loud jacket worn by Mr. Spancake . . . Mr. Winters, under whose guidance we once again have a course in Metal Shop . . . the referee's whistle that signals "Big" White's homeroom to order . . . Miss Ebling, teacher of Home Economics, who made a really fine class of cooks . . . Mr. Koch's "orderly" second year Spanish class . . . the time spent tracking down busy Miss Willits . . . the uncomplaining patience of Miss Knauss on our yearbook . . . often we have been disturbed with them, and more than often they have been disturbed with us . . . but, they always stuck by us when we were in trouble, and helped us out of our difficulties . . . last, but not least, the untiring efforts of Mrs. Curley, our faculty adviser . . . we will always attribute whatever success we may achieve to our terrific faculty and our own Muhlenberg Township High School.

Class History

My scrapbook memories . . . six years ago we achieved the long awaited seventh grade. The trip we took to the Reading Museum as history students will be long remembered by all, especially by those who unsuccessfully tried to feed the swans or identify a statue for the Treasure Hunt. The close of our first year in high school brought the Empire Steel Award to Peggy Hinkle.

A lovely spring day lured us as eighth graders to the Gettysburg Battlefield. We stared in wonder at the Eternal Light Monument and all purchased souvenirs, which we still treasure. Our "future home makers" put their aprons to use in Miss Ebling's cooking classes, and with what results? Eggs, soups, and even apples prepared for a king. The American Legion Awards went to Thomas Wolfgang and Peggy Hinkle.

Struggles over our first language, Latin, and time-consuming civics notebooks made our third year at M. T. H S. whiz by! We chose our courses of study for the next three years, and many of us participated in the Junior High County Chorus at Wyomissing. The award assembly saw Mary Shaner and Henry Greenawald presented with the Senior Woman's Club Awards for the outstanding boy and girl in the freshman class.

Sophs—what a wonderful name—until we discovered how hard math and typing had become. Remember the odd creatures who ran through our halls bowing and polishing shoes? Don't forget the fun we had at the first real dance of our own, the "Soph Hop." By this time some of our class had become faithful members of the band and others were chosen to warble at Mixed Chorus church services. Maiden Creek Hosiery Awards were bestowed upon Elizabeth Rothermel and Larry Brossman.

"Don't Take My Penny," the junior class play, with Jean Billman as the gal who was always in trouble, proved a huge success. Other juniors sang and danced their way to fame in the first "Muhl Revue." Larry Brossman was elected president of Student Council and noon-day dances kept many of us "stepping." An impressive ceremony ushered six new members into the National Honor Society. The senior class extended to us an invitation to join them with their prom plans. It was a beautiful and long-remembered evening at the Reading Country Club, dancing to the music of Ken Keely's band. The Junior Woman's Club gave awards to Peggy Hinkle and Christie Mills.

The hard road to the top of the public school was finally reached. We, as seniors, tried our luck and talent in the play, "Straws For Two." The beautiful Christmas program and County Chorus at Mt. Penn slipped quickly by. And what a shame to leave our new cafeteria after such a short time! Mixed Choristers prepared for a successful Spring Concert. After a lovely May Day, a fun-packed class trip, and a tear-shedding commencement, we sadly bid farewell to our school with its memorable moments. Now that we are graduated, we shall have to depend on scrapbooks and souvenirs to bring back the joy of our schooldays.
